

# Rubric for Oral Presentation

## CMPT 276

Week of November 14<sup>th</sup>, 2023, to EOT

**Total Points: 10**

Your group is to give a presentation based on a demo of your project. Here are your guidelines:

1. You are to be completely honest regarding your goals and actual achievements in terms of functionality.
2. Any one of your team members may be randomly chosen to give the entire presentation. If that person fails, another will be given a chance. Anyone who fails this step will receive a 50% reduction in their overall Project #3 team grade.
3. Your talk cannot exceed 10 minutes with a 5 minute Q&A period afterwards.
4. Your talk will be graded as follows:
  - a. **Time – 2 points** (you miss one point per minute over with a maximum of two minutes in which case your presentation will be terminated with a deduction of two points).
  - b. **Quality – 3 points** (look to the notes on oral presentations given earlier in class).
  - c. **Comprehensiveness – 2 points** (be sure to be thorough in describing the SWE aspect of your project in terms of justifying your process and team improvement strategies, as well as a good discussion of your actual project).
  - d. **Q&A – 3 points** (you should be able to handle fair questions from the audience with authority).
