CMPT 276 – Assignment #2

Write an advanced report on GitHub. Cite your references. This will be examinable on the final. Give screenshot examples based on your Project. THIS IS AN INDIVIDUAL EXERCISE. DO NOT WORK WITH YOUR TEAM MEMBERS. You have three weeks, so make it count and let it reflect how you have upgraded your project.

- **Format**: Not to exceed one page, single-spaced, 12-point including references.

- **DUE**: November 14th according to TA submission guidelines.
